Dear Ms. Winter Prisk:

This letter is in reply to your letter of February 1, 2002.

Boyd-Mulford Construction Company was incorporated in the State of Pennsylvania in 1958.

Boyd-Mulford was a general contractor doing mostly commercial construction in the Delaware Valley five counties.

Boyd-Mulford Construction ceased operations in 1991.

Prior to that date, all of our construction debris was removed from our job sites by licensed hauling contractors and at no time did we deal in any hazardous waste.

I was the President of the Boyd-Mulford Construction Company from its origin in 1958 until it ceased operations in 1991.

Very Truly Yours,

BOYD-MULFORD CONSTRUCTION COMPANY

David S. Kelso  
President
